PART--I-- Orders and Notifications by the Government of Tripura, The High Court, Government Treasury etc.

GOVERNMENT OF TRIPURA
URBAN DEVELOPMENT DEPARTMENT
AGARTALA, TRIPURA

F.1(44)-UDD/DUD/2018/16211-15 **Dated, Agartala the 8th March, 2019.**

NOTIFICATION

In pursuance of the verdict of the Hon'ble National Green Tribunal dated 16.01.2019, Agartala city is hereby declared as Model City for implementation of Solid Waste Management Rules-2016 issues by the Government of India and also for implementation of the Tripura Municipal Solid Waste (Management & Handling) Cleanliness & Sanitation Rules- 2019 under the Tripura Municipal Act-1994.

Accordingly Agartala Municipal Corporation shall take following actions within time bound manner.

1. To ensure 100% door to door Solid Waste collection from all the households, shops, markets, other private and Government establishments etc along with source segregation by imposing suitable user charges.
2. To reduce, recycle and re use non biodegradable waste.
3. To ensure composting of the biodegradable Solid waste.
4. To ensure implementation of Construction and Demolition Waste Management Rules-2016 and to promote production of mechanical bricks/eco bricks using construction debris.
5. To ensure implementation of Plastic Waste Management Rules strictly.
6. To ensure cleaning of all the septic tanks /toilet pits at least once in a year and scientific treatment of faecal sludge.
7. To ensure that all the septic tanks in all the house should have soak-pits and in no case the overflow of septic tanks should be put directly in to the storm water drains.

8. To ensure proper management of pure water generated in the functional Sewage Treatment Plant at Barjala.

9. To ensure imposition of sufficient user charges and penalty on erring households and establishments by formulating regulations.

10. To promote construction of underground sewage system with Sewage Treatment Plants at various locations. If the Sewage System is not feasible, then scientific Septage (faecal sludge) Management should be implemented.

11. To ensure regular monitoring of all the Solid Waste Management activities by using modern ICT tools on real time basis.

12. To spread awareness among the citizens, school children, social clubs, NGOs, Eco Clubs etc regarding implementation of Solid Waste Management Rules and keeping the city clean and green.

13. To ensure that sufficient budget provisions may be made in the annual budget for all the activities related to implementation of Solid Waste management Rules- 2016.

Dr. Milind Ramteke, IAS
Director
Urban Development Department
Government of Tripura.
